Will Resume in April

President's Message for April

The weather did not cooperate in March and our meeting on the 12th was cancelled due to a blizzard. Aren't those supposed to be over in February?

Lion Tom Rusert ran the meeting at the BLC on the 26th while Brenda and I listened to Dr. Sanjay Gupta, CNN medical journalist, in the UB Alumni Arena, as part of the Distinguished Speaker series.

On March 8th, Lion Paul and Judy Bassette, Lion Tom Witkowski and Brenda and I represented the Grand Island Lions at the 75th Anniversary celebration of the Merritton Lions Club. It was a very enjoyable evening with entertaining and humorous speakers. We joined many other clubs and organizations in presenting a donation to help with their continuing work and mission.

On Saturday, March 22nd, Lion Tom Witkowski and I represented the GI Lions at a District Cabinet meeting at Shea's Theatre. It was a very full agenda. Upcoming events include a Convention in Lake Placid, April 25 to 27 and an International Convention in Toronto, July 4th to 8th. For WNY Lions, this could be a once in a lifetime opportunity to attend an International Convention within a 1.5 hour drive.

April is a big month for Grand Island. On April 9th, we will visit Merritton. Meet in front of Mighty Taco as usual for carpooling. Let's have a strong turnout to show the Grand Island Lions spirit!

On Wednesday, April 23rd, we will have Sheri Shaw of the Ross Eye Clinic as our guest speaker. This should be educational and enlightening. Some or all of our club's "snow birds" should be back from Florida.

Our major fundraiser of the year, the Spaghetti Dinner, will be on Monday, April 28th. I was out this weekend collecting donations for the basket raffle. This year we will have displays and personnel from some of the agencies we sponsor. It will provide an opportunity for the public to see the many ways the Lions help others. Lion Tom Witkowski gets the credit for this idea. Thanks Lion Tom!

April is a great month to be a Grand Island Lion!

Yours in service,

Lion President Brooks

Merritton Lions 75th and Merritton Lioness 65th Anniversary Party

Lion President Brooks and Lion Paul Bassette, accompanied by their lovely brides Brenda and Judy respectively, and Lion Tom Witkowski attended the Merritton's celebration March 8th. With Master of Ceremonies Lion Geoff Crane, the party was a huge success. Many political dignitaries recognized the clubs numerous activities over the years and their continuing service to Lions and the local community. PID Carl Young attended and spoke about if you have a dream, believe in it, then following your dream to its completion. His eloquent suggestions regarding membership for new Lion candidates were quite poignant: offer the right and the opportunity to participate, give new and seasoned Lions the opportunity to grow in ways they never imagined, and giving new members a sense of fulfillment. And to top it all off, he stated that we should be having fun while performing service. A great time was enjoyed by all.

VBSF will be hosting its biannual meeting on Saturday, April 12, 2014, 9am, at the Olmsted Center For Sight, 1170 Main Street, Buffalo. I encourage all club members to attend this meeting to learn about the Foundation, what the Lions Diagnostic Eye Center does to diagnose and treat every single client that comes to the Ross Eye Institute including over 230 island residents, and to learn of the opportunities to serve on the Foundation board. Please contact Lion Tom Witkowski, 909-1862, to reserve your seat at this meeting. Consider augmenting your service as a Lion. member on the board. It truly is a wonderful way of connecting to those who turn to the Ross and Lions to save their vision.
