Our community is fortunate to have and support many organizations that provide need during the holidays. BUFFALO LAUNCH CLUB

THEME:
YOU ARE ASKED TO DRESS
IN GREEN OR RED

Buffalo has become home to 14, 000 refugees arriving from countries including Syria, Burma, Ethiopia, Sierra Leone, Somalia, Liberia, Yemen among others. The refugees are authorized to work in the United States, have received security clearance by the FBI and State Department and are medically screened by healthcare professionals before arriving in the United States and again upon arrival to Buffalo. Unfortunately, these individuals leave their country with little to no belongings and are relocated to a city or country vastly different from their own.

The International Institute of Buffalo helps with the resettlement of refugees as they arrive in Buffalo teaching them English and providing basic household items. As the Lions Club motto indicates, the members are dedicated to bettering the quality of life for the handicapped, the poor, the sick and the aged. The motto of Lions Clubs International is "WE SERVE". Let's serve to meet the needs of Buffalo's newest residents by donating needed items at this year's Christmas Party. -Lion Fred

**ONE ISLAND,
ONE TEAM**

**Our Vision:
A Grand Island
community that reduces
underage substance
abuse.**

A Community Coalition

T: 716-773-9600 ext. 658

Our Vision:

One Island, One Team ...

- A community coalition reducing underage substance abuse on Grand Island.
- It focuses on both underage individuals and on their families.
- It is composed of representatives from multiple community sectors.
- The coalition engages in primary prevention.
- Intervention strategies are implemented by appropriate outside agencies.

Our Mission:

**To assess,
To analyze,
To act.**

Acceptable Means to Achieve Our Mission:

- A. Conduct primary and secondary assessments
- B. Engage in analysis of findings
- C. Provide education
- D. Advocate action and engage community sectors
- E. Enter into contractual agreements

Our team formed in 2006, when our then newly-appointed High School Principal, Sandra Anzalone, surveyed parents, asking them what they thought the needs of the school were. The answer that came back loud and clear was, "You have a drug problem in the school, and nothing is being done about it". Members of our community came together to address this issue; our Coalition includes members of the Town Board, law enforcement, the Ministerium, health care providers, PTA, Erie County Council for Prevention of Substance Abuse, Prevention Resources Network, Horizon Health Services, school staff and administrators, parents and students, and is open to all who are interested.

Corina Labin Director of One Island-One Team a community coalition task group whose goal is to reduce underage substance abuse was the guest speaker at our Lions Club November 9th meeting Corina reviewed the history of the coalition that had been established approximately 10 years ago. The coalition wants to promote education to GI families and kids to help them make better choices. The coalition is entirely run by volunteers, there is no working budget save the occasional mini grant. The coalition is active in community events to develop community awareness. Contact Corina if you would like to help or attend meetings, which are the 3rd Thursday of the month in the Professional Development Room in the High School. Email; clabin@oiot.gmail.com
