The Holidays are upon us. I hope everyone enjoyed their Thanksgiving. We have so much to be thankful for.

The second Saturday in November we had our Health Fair. It was the 2nd Health Fair for our Club. It was well attended by Vendors and we had some great feedback from some of the vendors and attendees. A huge thank you goes out to all that gave of their time, talent and treasure to make the event successful. Hopefully we all learned something while we were there and emerged a bit healthier for having the event.

As we move into our Christmas gathering, we have invited District Governor Jeffrey Jarvis, and his wife, Cabinet Secretary Aimee Jarvis, Chair Jeremy Schnurr, Region 2 Zone 1 Chair Rich Niezgodka, and hopefully they will be able to join us.

As we head into the New Year we always like to think of Resolutions and perhaps collectively we can resolve to increase our membership. If each of us were to make a personal commitment to sponsor one new member, just think of the amazing things we will be able to accomplish. Besides Lion Tom Rusert has the membership contest monies burning a hole in his pocket.

I would personally like to wish each and every one of you and your loved ones a very Merry Christmas and an exceptionally Happy and Prosperous New Year!

Not above you, not beneath you, but with you!

Lion President Shelia

AN IMPORTANT NOTE TO ALL MEMBERS

At our last board meeting, the subject of Lions who state they will attend a meeting but do not show up needed to be addressed as we have to pay for a no-show. When the number of attendees are called in to the restaurants of our meetings, the club is obligated to pay for the meals ordered even when a member does not show up when he or she said they will. This causes an unnecessary financial drain on our club's General Fund when this happens. To mitigate this situation, if you say you will be attending and do not show up, we will arrange with the restaurant staff to pack your dinner and dessert. A club member will then contact you for you to pick up your meal and the cost of it. Please submit your payment (check made out to our club is preferred) when picking up your meal.

Lewiston Community Lions is hosting a raffle to raise funds for a community playground for all children of all abilities. The playground will be built in conjunction with the Town and Village of Lewiston. The three prizes are \$5,000, \$2,000, and \$1,000. Drawing will be held May 1, 2019. Tickets are \$50.00 each. The club is also looking for volunteers to help build it starting next spring. For tickets, contact me. If you would like to split the purchase of a ticket with others, that is doable. Contact me about that also.

For more info on the park, contact Lion Lynn Bahringer at 716-807-2409 or vial email at bahringer@aol.com. The club's website is www.LewistonCommunityLions.org.

The club has witnessed the success of our community's Miracle League playground and have reached out for assistance in leveraging funds and people-power and LionPower to get the job done. Where there is a need, Lions will be there.

Members should continue to bring nonperishable food items to our regular meetings for benefit of the Neighbors Foundation Food Bank, and used cell phones can be repurposed by the Erie County Sheriff's domestic violence unit.

Continue to donate your empty cans and bottles to Bottle Junction. The advantage of this donation is you do not have to wait. Just tell them to donate the proceeds to the Lions. Thank you to all who participated.

Our Guest speaker at our November 14th meeting was Elizabeth O'Donnell of Gliding Stars. This is an ice-skating program for kids with special needs. Walkers etc are adapted so these kids can skate and participate. It is the philosophy of Gliding Stars to use ice skating for the physical, mental, and emotional growth of persons with disabilities. It is family oriented. Each child must have at least one family member volunteer. The program has been organized for 39 years. It depends on donations. There are three sites locally and ten chapters in other states. O'Donnell seen here, on the right receives a gift and donation from Lion President Shelia Ferrentino on behalf of our club.

Lion Tom Witkowski reported for the Peace Poster Committee that a 7th grade student from the GI Middle School, Hannah Susman will represent the Club as our first place winner.

LP Shelia Ferrentino awarded the Centennial Celebration Pin to Lion Tom Rusert. for recruiting and retaining Lions Danielle and Jim Rose, as well as Lions Jeanine Justin and Sarah Sweeny for one year and one day.
