Hello fellow Lions. The first thing I would like to say as the incoming Lion President is a sincere thank you to our immediate Past President Shelia for an outstanding job leading us through a successful year and very importantly all of the new members that joined this past year.

This is my second time as Lion President and I am looking forward to an exciting year. I do have a few goals one of which encourage all of us who have not yet served on a committee or have had a role on the board of directors, Lion Tamer, Tail Twister, Vice Presidents and President to consider saying yes when asked to take on these roles or be a part of a committee or manage a project.

This great club we call Grand Island Lions has had a long history of participation and it was one of the few clubs that had a history of never having a Lions Club President, repeat as President.

There are a lot of reasons why it happens and that is OK. But one of my goals is to see that trend start over again filling all of the positions of Lion Tamer, Tail Twister, 3rd VP, 2nd VP, 1st VP leading to Lions Club President with new faces, ideas and participation in the leadership of this – The Grand Island Lions Club. We have a lot of new members who I am confident have a lot of great ideas on how to make this an even better Club for the now and future. All of the members who have had these roles in the past or are currently serving in these roles are always ready to support the next person to take on that position.

Growing our membership is also an extremely important need for us to succeed as a Lions Club. During Lion President Shelia’s term this Club was very successful in adding new members. A huge welcome to all of our new members. I can only hope that that trend can continue.

We do have a couple of immediate and important events coming up in July. First is the 4th of July Parade. It is a fun event and we get to show off our membership, our organization, to our community to our friends and families who will be lining the street. Some of whom may not know that you and I belong to this great organization until they see us in this parade. I’ll be there and hope to see many of you as well.

Our biggest community service event of the year is coming up this month - The Special Children’s Picnic July 17th. Of all of the things we do to serve our community this is my favorite. Hope to see you all there. I am looking forward to our 1st meeting of the year.

Respectfully
Lion President 2019-2020 - Paul

Lion Henry thank you for all your hard work in putting the Installation Dinner together. It was very well done. Thank you to all the members of the Board of Directors for all your dedicated service and your support. Thank you to all the Committee Chairs and Committee Members for all your hard work, dedication and support. Thank you to all the Club Members for your participation in the Club and for your support for our events and of course, thank you to all for your volunteerism.

Thank you Lion Dick for putting together our participation in the Lawn Mower Race on Father’s Day. We successfully raised \$370.00 for Relay for Life. Thank you Lion Dave for the great job you do with the Newsletter and your relentless nagging for the President's Message each month.

Wishing Lion Paul Krupa a great year as our next President and congratulations to all that will be serving in 2019-2020.

Not above you, not below you but with you in Lionism.

Lion President Shelia ... Signing out

Lion Henry Lobl received The Robert J. Uplinger Distinguished Service Award at the Grand Island Lion Installation and Awards Dinner held on June 12th at The Radisson Inn. 50/50  **Lion Paul Bassette Picked a silver nugget at our May 22nd meeting....**

The Split Club sticks have been replaced with poker chips with club members names on it. The deck of cards has also been replaced by a much sweeter treat: Hershey Nuggets! 52 Nuggets in all, 48 wrapped in silver, 4 in gold. Pick a gold one and whatever the pot is at, you win the nugget and the cash! Pick a silver and at least you have something that tastes good - everybody knows chocolate soothes you!
