EVER SINCE I WAS A CHILD, I'VE ALWAYS HAD A FEAR OF SOMEONE UNDER MY BED AT NIGHT. SO I WENT TO A SHRINK AND TOLD HIM, 'I've got problems. Every time I go to bed I think there's somebody under it. I'm scared. I think I'm going crazy.'

'Just put yourself in my hands for one year,' said the shrink. 'Come talk to me three times a week and we should be able to get rid of those fears..'  
 'How much do you charge?'  
 'Eighty dollars per visit,' replied the doctor.  
 'I'll sleep on it,' I said.

Six months later the doctor met me on the street. 'Why didn't you come to see me about those fears you were having?' he asked. 'Well, Eighty bucks a visit three times a week for a year is an awful lot of money! My bartender cured me for \$10. I was so happy to have saved all that money that I went and bought me a new pickup!'

'Is that so!' With a bit of an attitude he said, 'and how, may I ask, did a bartender cure you?' 'He told me to cut the legs off the bed! - Nobody under there now!!!'
