Hello Lions,

Thanks to all of the devoted members that contributed to the success of our annual "Spaghetti Dinner". Without the hard work and dedication from our Lions the Special Kid's Picnic would not be possible. Lion Tom W. has researched and obtained a grant to help with the cost of the picnic. I'm sure he will share the details at our next meeting.

Congratulations to our newly elected officers for the upcoming Lions year. This Lions season is winding down so please attend our May and June meetings. Lion Paul B. will host the Peace Poster winners at the May 25th meeting (Buffalo Launch Club) so please be there.

We had a nice turnout for the April 27th meeting with the Merriton Lions and as always were treated to a fun evening.

Dear Grand Island Lions,

I am pleased to advise you that your grant application to the Brandel-Murphy Youth Foundation has been approved by our grants committee. A check in the amount of **\$2000.00** will be presented by BMYF Officer **PDG Jim Muscoreil** at a suitable event in your district.

We believe that your project is well thought out and meets our requirements. As with all grants we would appreciate you sending us periodic reports, along with pictures for our records, which will also be put on our website. We would also like you to mention our foundation in your literature and or plaques. Our mission is "to provide assistance to children in need...supporting programs that will improve the lives of those served." Please include those thoughts in your reports to us.

We wish you all the best in finalizing this project and want you to know that the Brandel-Murphy Youth Foundation will be here for the future needs of your club and District. Please check our website to keep up to date on what is happening in the Foundation.

News from the Vision Beyond Sight Foundation

Lions, as a board member of the Vision Beyond Sight Foundation (VBSF), I bring to our club and our community very exciting news. Several years ago, the Foundation opened a Humanitarian Account with a portion of funds from the Operating Account that has already provided \$450,000 toward equipment and technology updates in the Lions Diagnostic Eye Center (LDEC) at the Ira G. Ross Eye Institute (better known as "the Ross") in Buffalo. Recently, through a generous donation from the Fredric Buch family, the Humanitarian Account has grown to over \$54,000. The Buch family set up a memorial trust in memory of their son Peter Buch who was Director of Ophthalmic Imaging at the LDEC up until his sudden passing.

The VBSF board has agreed to work with the Ross staff in determining the needs of pediatric patients whose financially challenged families have insufficient health care coverage with high deductibles that are preventing them from getting the proper care for their children's precious sight. They will be using a modified version of our Financial Needs Assessment form in order to qualify the families. The VBSF Humanitarian Account will be used to pay at least in part the deductibles. To insure that the account remains viable in the coming years, the funds have been placed in a secure investment vehicle that will grow along with contributions and fundraisers.

If you learn of a potential need, and not only limited to eyesight, please contact me as soon as possible as time is the worst enemy affecting eyesight.

In a separate matter, the Foundation also reports an opportunity for a Lion to serve on the board. We meet six times a year. The duties of a board member are to ensure continuity of our service to the needs of the Eye Center only and for the medical services to those most in need. You do not need prior experience, just a desire to help those who look to us for help. And of course you are not committed after your first meeting, but I am sure you will be impressed. We have a vested interest in the LDEC as over 230 Grand Islanders use the services at the Ross. If you are interested, please contact me at your earliest convenience.

Yours in service,

Lion Tom Witkowski

Dear Lions Club,
Please accept this donation in honor of Diane Debiel. She was the aunt to my dear friend, Bernie Prabucki, and I had the pleasure of seeing Aunt Diane & Uncle Jerry on their many trips through NE on their way between NY & FL. She was such a joy to have known.

Yours truly,
Colleen Lange
